

## Anointed with a Purpose

Anointed for a Purpose? When some of us read this book's title, we may think that this is not possible when it comes to our lives. We have taken too many wrong steps, not taken enough right steps, and basically have gone down paths that could not be used at all for God's glory. Yet God uses imperfect people to bring forth the greatest miracles and blessings in life, and He wants to do the same in every one of us. Anointed's author Lilieth Dorman believes the same as well, seeing her own trials and tribulations become instruments of righteousness in God's purpose for her life.

She seeks to awaken the same realization in all of us everywhere, by viewing our purposes through the viewpoints of certain simple, but reflective virtues, such as honesty, patience and acceptance.

Combined with scripture verses, Lilieth expounds on how purpose can be exposed and cultivated through the implementing of these virtues as one follows God and walks in faith. Just as God turned her personal struggles into meaningful examples of His love and power, Lilieth believes the same can be accomplished in any believer's life.

We are all chosen and developed for a purpose. God provides the instructions in His word: all we need to do is believe and follow. She is a native of St Andrew Jamaica, mother of 3 girls, one son in law, and grandmother of 3 adorable grandchildren. Ministry has been a vital part of her life. She has always tried to instill in the lives of her family that living without God is living without a purpose. In this book she describes how each of us is anointed with a purpose.
