

The Great Breakfast Taco Hunt

Joseph Goode was born to explore. He knew all the great explorers and the mysterious places they had discovered. Yet none of them, even the greatest of them, had ever explored the cellar on Mulberry Baptist Church. Today is Josephs 12th birthday. He will finally don his explorers hat and enter into the 100 year old cellar. Along they way he hoped to buy a delicious breakfast taco...Joseph Goode would never forget this Sunday morning journey.
