

We frequently hear about the importance of reading aloud to children in terms of learning to read, and we know that reading is an essential skill for success. One of the greatest gifts a parent can give is to teach their child how to use a book. Once this foundation has been laid, the other opportunities for emotional, social, and intellectual benefits unfold. Reading bedtime stories will help children feel safe and secure, children will also feel that they belong to a group and family thus develop self esteem. Books can help children learn about love and loving themselves. Books can help children discover heroes and introduce achievements. Books can be examples of beautiful art and excellent writing. With these benefits, every parent should put in quality time with their children by reading bedtime stories.
