

## Handbook Of Pharmacy - Embracing The Theory And Practice Of Pharmacy And The Art Of Dispensing For Students Of Pharmacy And Medicine, Practical Pharmacists And Physicians (Paperback) - Common

Preface; In preparing this handbook, the authors aim was to supply to the student of pharmacy a compendious and yet sufficiently detailed text-book for systematic study, and to those exercising the art a trustworthy guide to be consulted in daily practice. The present work is divided into four parts; Physical and Mechanical Operations, Galenical Pharmacy, the Art of dispensing, and Volumetric Ana...
