

The Word and His Words: Reading Scripture for Love in Today's World

The Word and His Words is a coffee table book on reading Scripture for love in today's world. Through both images and words, Amy Nickerson breaks down the four steps of lectio divina (divine reading): reading, meditating, praying, and contemplating, while also giving readers a glimpse into her own reading process with an artistic response to John 1:1-18. She hopes that in exploring what it means to read Scripture well, whoever picks up this book will be encouraged that reading God's words out of love for the Word is possible and worth the effort.
