

Throughout Rules of Engagement, we are introduced to women in the Bible who experienced a lot of the problems, misfortunes, and even the pain that many of our young women today are facing. This book was designed as a practical, relational, and relevant teaching guide for women who want to properly engage with men at any stage in a relationship. Throughout this book, women can learn to successfully build the relationship they desire and find love by using proven biblical, Christ-centered methods. This book will equip women with the tools and strategies they need to be successful in their quest to build long-lasting, meaningful love relationships. It will not only give sound insight to women, but also wisdom to women in order to help them in the dating process. This book will empower and equip women to be successful as they engage in conduct, conversation, and courting with their male counterparts.

Author Bio: Through his varied experience as a business owner, pastor, husband, father, and brother, Pastor Kenneth Sullivan has developed a keen insight regarding the importance of strong foundational relationships, especially concerning dating. The driving force behind this dating guide is his strong desire to inform women about the proper decision-making process for dating and relating to the opposite sex. In the spring of 2006, Pastor Sullivan received a Bachelor of Science degree in Pastoral Ministry and Theology from Crossroads Bible College. While attending Bible College, Pastor Sullivan became a business owner and managed his own business for 13 years where he employed 7 barbers and hair stylists. Pastor Sullivan grew in the ministry and became senior Pastor, in 2006, of his existing church and in 2007 renamed the ministry New Direction Church. Since Pastor Sullivan assumed the role of Senior Pastor, the church has grown at an astounding rate. Pastor Sullivan and his wife First Lady Roxie have two daughters and one son, Gabrielle, Kennedy and David Jeremiah. They firmly believe in the power of God to redirect lives that were once going in the wrong direction, to a purpose-filled new direction. His goal as senior pastor is to reach the un-churched and lost and help lead them to a better life socially, spiritually, and physically!
