

Aliens Ate My Homework (Rod Allbright and the Galactic Patrol (Prebound))

ITS THE WEIRDEST ALIEN INVASION EVER!! I cannot tell a lie, says Rod Allbright. And its the truth. Ask him a question and hes bound to give you an honest answer. Which is why, when his teacher asks what happened to last nights math assignment, Rod has to give the only answer he can: Aliens ate my homework, Miss Maloney! Of course, no one believes Rod this time, so they dont bother to ask him why the aliens are here. Its just as well, since he is sworn to silence about their secret mission and the fact that he has been drafted to help them!
