

An address on the botany of the United States: delivered before the Society for the Promotion of Useful Arts. To which is added A catalogue of plants indigenous to the state of New York

An address on the botany of the United States: delivered before the Society for the Promotion of Useful Arts. To which is added A catalogue of plants indigenous to the state of New York

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.
