

## Another World

Always listen to the silent words for they speak the loudest. I pray something within these pages brought on a laugh, a concern for others, maybe even an understanding of the world we live in and even more so the world we are creating. I urge each of you to think about the good we have in life now and with the knowledge we have attained the good, even better we can leave behind. Thank you for reading and I wish you success and happiness for you and yours.
