

Hosanna in the Highest!

A tightly woven tapestry, this anthem is a practical, flexible and inspired choice for Palm Sunday worship. Hosannas fill the air as it opens with a joyous unison refrain that may be sung by children and/or adults and congregation, and repeated as necessary for palm processions. The SATB verse declaims the scriptural narrative and provides a dance-like counterpoint to the return of the hosanna refrain. A high descant crowns the festive closing. A reproducible refrain page is included in the octavo. / Sacred Anthem / SATB, Piano / Optional Unison (or Congregation) / Palm/Palm-Passion Sunday
