

Flirting with Texas (Deep in the Heart of Texas Book 5)

YOU'RE A LONG WAY FROM HOME, COWGIRL! On her own in the Big Apple, Jenna Jay Scroggs can handle herself when trouble arises. But when she tries to rescue a horse, the passionate do-gooder ends up on a runaway Central Park carriage ride with a hunky stranger. With his sexy drawl and well-worn Levis, Beauregard Cates is doing his darnedest to make Jenna homesick for the small western town she's spent years trying to forget. And it's working: She's dangerously close to falling head over boot heels for the rugged rodeo star with hair the color of moonshine. Beau came to the big city to escape his past and live life to the fullest. Yet the leggy blonde with eyes as blue as a western sky causes a real hitch in his giddy-up. So when the well-meaning folks of Bramble plot to bring Jenna home, Beau will need to convince her that she won't ever get Texas out of her blood - or one good-time, ever-lovin' cowboy out of her heart.
