

Building a Prototype Church: The Church is in a Season of Profound of Change

It is easy to speak against something you don't fully understand. Listen you need to be open to what God wants to do. You have never seen such a level of power, grace, and holiness of God all at one time. The church is outgrowing itself month by month. Are you ready for miracles as commonplace; the amazing and incredible presence of God to be everywhere. The team that you are part of, which is caught up in the epicenter of all this activity, is the most profound experience that you have ever encountered. Of course, there are problems-problems that often are enormous and time-consuming. However, as you pray for wisdom, the anointing to move forward is so great that godly insight seems to spring into your conscious mind with ease. During the moving forward to becoming a prototype Church, you will find oppositions.
