

Caleb, Son of None (Caleb Pascal & the Peculiar People)

Being adopted was Calebs lifelong dream. Being taken home by Mr. Groeger was a nightmare. When the circus comes to town, Calebs world changes again. An old circus clown and a heavenly Father hear the cry of an orphan and answer in a dangerous and delightful way. Kids ages 8-12 will enjoy this action-suspense series set in the late 1800s. When the circus comes to town, Caleb finds adventure, encounters strange creatures (and even stranger people), and meets a heavenly Father who welcomes all orphans into his family.
