

Cassie Nevins longed for someone to save the day, someone like Cowboy Charlie, the hero she created for her daughters bedtime stories—and the hunk who starred in a few of her own not-so-innocent fantasies. Charlie followed the code of the Old West: Act honorably, work hard, tell the truth and take responsibility. So who was this stranger on her doorstep, looking exactly like her cowboy...right down to the dimple in one corner of his very kissable mouth? All Cassie knew was this Charlie could make all her dreams come true—including her deeply hidden desire for a happily-ever-after!
