

Cat and the Beautiful Mrs. Butterfly

This is the first of seven stories about Elf King Forest and the creatures that live there. Only a few privileged people who truly love and respect all creatures are allowed to venture into their lives. Though she doesn't know it yet, Valerie has become a privileged one; as was her father and her grandfather. Very soon, she will find herself assisting Cat, a caterpillar, in the search for the colors that belong to Elf King Forest.
