

## Unlocking The Secrets To Gods Fourth Dimension

Gods Forth Dimension is a practical book on understanding the spiritual keys that unlock the pathways into Gods supernatural fourth dimension. Written on the premise that we live in a three dimension world (length, breadth, and height) the writer takes us on a journey of how to move beyond this dimension and touch the power of Gods dimension, using many spiritual keys enabling us to change our own lives and, the lives of those we come into contact with. Writing in an easy un-theological way, Pastor Andy has proved these spiritual keys really do work and, unlock Gods awesome power into our own lives. This book helps us understand why many prayers seem to go unanswered, and the many ways in which God moves in our lives for His glory rather than ours.
