

Coastal Sediments 2003 Crossing Disciplinary Boundaries: Proceedings of the International Conference Sheraton Sand Key Resort, Clearwater Beach, Florida, USA 18 - 23 May 2003

The proceedings of the International Conference on Coastal Sediments 2003 contains over 240 papers delivered at the Fifth International Symposium on Coastal Engineering and Science of Coastal Sediment Processes held on May 18-23, in Clearwater Beach, Florida. The conference was designed to promote a broad exchange of state-of-the-art information and views among specialists in the fields of coastal engineering, geology, oceanography and related disciplines.
