

Coffee Shop Theology from a Twisted Mind: Double Latte. Purple Poison Free!

This book is double the creigh-z-ness of Book one. Poison pouring has been destroying individual lives for years. The lies of the purple punch pourers make many believe they are worthless, good for nothing and will never amount to anything.

They are often stricken with failure feelings, low self esteem, depression, anger and even pride. The purple poison punch is a destructive lie and this book delivers the truth. Do not buy those lies or drink that purple poison any longer. Be Purple Poison Free!
