

The Identity of Purity: A Teenage Girls Guide to Sexual Purity

What does purity look like? Is it recognizable to the average teenage girl? Does she know that purity should be at the very foundation of her identity over makeup, short skirts, and finding a boyfriend? Purity carries an unpopular message in our culture, but the ignorance of purity could quite possibly be the greatest cause of the low self-esteem epidemic among teenage girls in our society. If a girl doesn't understand what kind of woman she was created to become, then chances are she will believe lies about herself from modern culture. As a result, throughout her life she will behave as if she's a much lesser being than her creator meant her to be. She may even become sexually active early in an attempt to feel desired and accepted. It's time she learns that her true beauty radiates brightly from the inside out! The Identity of Purity will:

1. Define what purity is from God's perspective, not the world's.
2. Teach teenage girls Biblically about their true identity and purpose amid the lies from media and pop culture.
3. Guide teenage girls to sexual purity through a deeper walk with their creator.
4. Help teenage girls overcome 5 major obstacles to living a lifestyle of purity.
