

Deception

God has used Simon Peters to reveal the evil which exists in His Church today both in the pulpits and in the pews. God is using other sources to make this same revelation. However, God has allowed Simon Peters to experience the inquisition which still exists in today's church. The dishonesty, the lies and the cheating by church leadership is being made public. God established His Church to be a light unto the world. Man has invoked rules to keep God's Holy Presence away or to limit His effectiveness. Simon Peters, with this book, has brought to light the confessions of various church leaders as to their ungodly activity. God's desire is for all to come to repentance for He wishes none to perish. But, perish we will if we do not hurry to live within the parameters of God's will. Currently we know the Father in part. In heaven we will fully know Him. When we fully know Him, all we will want to do is praise, honor and worship Him 24/7. God's Word calls us to praise, honor and worship Him here - now. Do you love the Father with all your heart, all your mind, all your strength, all your soul? God is a jealous God (Exodus 20:5). Stop playing the church game and return to your first love (Revelation 2:4). I hope you are on fire for the living God (Revelation 3:15-16). Eternity is yours. This life is your apprenticeship. You decide: eternity with the Living Father or apart from Him.
