

## Devote the Bible: Nehemiah

Too many Christians dont know whats in their Bible. Its sad but truetoo many Christians say that the Bible is Gods Word and is essential to their faith, but they dont pick it up and read it, or know everything in it. This series of books will hope to change all that. The purpose of Devote the Bible is to get people to not only read their Bibles, but to go a little deeper in their understanding of it. In essence, the goal is to get Christians to use these devotions to devote themselves to knowing and understanding the Book they claim to believe every word of.
