

Be Transformed Leaders Guide

The Be Transformed Leaders Guide equips facilitators of Be Transformed small groups by promoting the skills, qualifications and formats to lead successful discussions. Common problems and circumstances are addressed with practical solutions to tailor effective group interactions. The guide states overall goals for each lesson and provides questions for discussion, understanding, sharing and application. Utilize these tools to be an effective group leader and to promote a healthy environment of growth, relationship and transformation in your Be Transformed studies.
