

## The Word of Their Testimony: In-Depth Stories of Eight People Whose Lives Have Been Dramatically Changed

Satan has a malevolent plan for every human soul on earth. Scripture names him Apollyon, the one who ruins peoples lives by corrupting their souls. His works often manifest themselves as fetishes, phobias, hang-ups or addictions; but Jesus came to destroy the works of the devil. We are coming into a time when all we will have to stand on is the testimony we have allowed God to forge within us. Do we have a track record of partial obedience picking and choosing when we will obey the Lord? Then we will most certainly deny Him when the pressure to do so is overwhelming. In this book, Steve Gallagher presents eight stories of people who have overcome the devil, been delivered from his strongholds and now have a testimony of Gods redeeming power. These stories will encourage you in your own struggles with the enemy: A musician who escaped the ghetto but couldnt escape his demons An ex-gay activist who returned to the lifestyle he railed against A big city cop who now fights his battles on his knees A Fortune 500 executive who had it all and lost it all A cat burglar who faced life in prison but received Gods reprieve A heroin-dealing gangster whose downfall led to his greatest score An Amish homosexual whose sin was exposed and destroyed A couple who faced martyrdom from of a Colombian drug cartel
