

The Glass Sentence (Turtleback School & Library Binding Edition) (Mapmakers Trilogy)

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Sophia Tims comes from a family of explorers and cartographers who, for generations, have been traveling and mapping the New World, a world changed by the Great Disruption of 1799, when all the continents were flung into different time periods. Life with her brilliant, absent-minded, adored uncle Shadrack has taught Sophia to take care of herself. Then Shadrack is kidnapped. And Sophia, who has rarely been outside of Boston, is the only one who can search for him. She travels over rough terrain and uncharted ocean, encounters pirates and traders, and relies on a combination of Shadracks maps, common sense, and her own slantwise powers of observation.
