

If you get up each day with a heart to follow Christ Jesus, you will never get tired of doing what is right and pleasing in His sight. Look at how far you have come, and if by chance you are yet struggling with the issues of life, get up and try again. Call on the name of the Lord Jesus Christ, and watch Him perform the miracles that you need in order to make it through the day. Day by day and step by step, you are going to make it, if you make up your mind and say, God, lets do it again! Lets start this day with You, Lord, showing me what to say, where to go, and how to respond to the issues of life. God, if You dont intervene in my life this day, I am not sure how I will turn out. Guide me, God, to be pleasing in Your sight. In the midst of your conversation with God, search your heart and come clean before Him. Ask the Lord to show you what you need to do and where you need to be for the day. Ask and seek His guidance and direction for your life. Ask God to do it again with you. Start each day with Him, and you will have what you need: But seek first the kingdom of God and His righteousness, and all these things shall be added to you. (Matt 6:33 NKJV). Author Bio: Anthony R.
