

## Frankie Potts and the Bikini Burglar

Book 2 in Juliet Jackas addictive new Frankie Potts series for readers ages 7-10. Meet Frankie Potts, the village of Trings number one girl detective. She has flaming red hair, a questioning mind and a very clever dog named Sparkplug. And she is REALLY good at solving mysteries. Frankie is on the lookout for a human detective sidekick to share her caseload. Finding the right person isnt as easy as youd think, and shes never had more to juggle. Right now shes having to contend with a new boy from Borneo, whose tales are taller and wilder than his wild black hair; the meanest school office lady in Tring; archenemy Ralph Peter-McGees equally brutish ginger tomcat; and helping her Grandma M train a troupe of greyhounds. Meanwhile, Tring is on high alert - a burglar is on the loose. Random pink items, most notably a bikini belonging to Frankies teacher, are disappearing from houses all over the village. An exhibition of bejewelled items is just about to open, with a pink, diamond-encrusted bikini as its showpiece. The temptation will be too great for any self-respecting burglar to stay away. And self-respecting solver of mysteries Frankie is determined to catch the burglar in the act . . . but in her efforts to tidy up her mystery list single-handed, is Frankie ignoring some very important clues?Book 1 in the series is Frankie Potts and the Sparkplug Mysteries
