

Why Faith?: Your Guide To Surviving and Thriving In Tough Times

Why Faith? - Your Guide to Surviving and Thriving in Tough Times is both a tool and a weapon that empowers people to take charge of their lives and believe in the power of God. Why Faith? progressively informs and emboldens the reader with faith and hope to endure the tough times we live in. As people are struggling financially, socially, and vocationally, they are also wavering spiritually in their faith.

It is a must read for people who have been discouraged, depressed or just want to know how to gain more faith and hope.

Each chapter contains powerful tools such as Personal Reflections which is a series of thought provoking questions, also Intimate Reflections which are pure nuggets of motivation, and a Reflections Journal which is a place to write your thoughts or answers to questions. If you are ready to pursue your destiny then you must read Why Faith Your Guide to Surviving and Thriving in Tough Times.
