Gods Bottom Line: Discover Your Global Role in His Global PLan

This book describes the Story of the Bible. It reflects Gods heart to reveal His glory among every tongue, tribe and nation. It begins with a promise to Abraham in Genesis 12 and ends with the fulfillment of the promise in Revelation 5. Everything in between is One Story. This promise to Abraham was made four thousand years ago. Yet to God, a thousand years is like a day, therefore He made this promise four days ago. It is fresh on his heart. This Story of the Bible is so complete and powerful, that until the promise is fulfilled, God is not going to send Jesus back. This clearly means that we, the Church, have a job to do. Until you see this story--until you realize your role in this job--you will never completely understand Gods purpose for your life. Discover the Story of the Bible and find out your role in revealing His glory among all nations! This book was formerly titled Unveiled At Last. Both ~Top Line/Bottom Line cover: Theology ~How most Christians only focus on the Top Line ~Why God blinds believers to the Great Commission and why He does that out of love is blinding Muslims, Buddhists and Hindus to His glory and why He is doing that out of love ~How a loving God of the New Testament could order the death and destruction of so many people in the Old Testament.
