

# I Will Heal Their Land: A Story Of Forgiveness And Deliverance

I will heal their land True spiritual gratitude embraces all of our past, the good as well as the bad events; the joyful as well as the sorrowful moments... we want to remember all of it as part of Gods guidance. That does not mean that all that happened in the past was good, but it does mean that even the bad didnt happen outside the loving presence of God.

Henti JM Nouwen Nancy and Bill spent over 30 years of their lives together and apart. Both highly educated people found themselves driven apart by fear and anger, medicated with substance abuse. Divorced, and in the midst of failed marriages, they found forgiveness for one another and healing for their marriage as they focused on the needs of their son. Enduring Nancys battle with cancer, Nancy and Bill are an example of Gods amazing grace. I Will Heal Their Land is the story of a couple who lost and found one another, and regained their purpose for living to serve God. They are living examples of the power of God to heal as promised in 2 Chronicles 7:14.
