

Grace for Shame

Shame. Embarrassment. Humiliation. The ugly trio. Their distinct occupation is to keep you seeing yourself as a sinner saved by grace rather than as a son seated next to the throne of grace. The distinction is about whether you are being reigned over or whether you're reigning. It's a battle for your predestined role in the Kingdom of God. Inside Grace for Shame you will discover a fresh look at what grace truly looks like and how God designed it to operate in your life. This ain't your papa or mama's grace - this is grace straight from the Kingdom of God as it has been operating throughout all of eternity. You will find the grace that is intended to break off the shackles that the ugly trio has bound you with, imprisoning you from your destiny. Expect to finally identify with the true kingdom meaning of the cross - not the sanitized message that religion has produced. Are you considered a prodigal son, or know someone who is? Grace for Shame gives a perspective from the Kingdom of God that it's not about your past but about how truly great you are right now in the eyes of the Father.
