

## The Chocolate Side of Life

One reviewer wrote: I was drawn to Cindy's book like I am to all things chocolate. The chapter titles are clever and the writing engaging. There is a nugget of wisdom in the middle of each chocolate morsel. In this book you will find encouragement, inspiration and laughter along with tasty tidbits about the food of heaven including tempting recipes. Like a good bite of chocolate, each page of *The Chocolate Side of Life* leaves you wanting more.
