

Heroes of the High Seas (DC Super-Pets)

Deep in the ocean, TOPO THE OCTOPUS plays some relaxing music for AQUAMAN. Suddenly, a huge whirlpool appears in the distance, threatening the city of ATLANTIS. Without a moment to lose, AQUAMAN leaps aboard his SUPER-SEAHORSE, STORM, and jets towards the liquid tornado. While the SEA KING rescues a whale caught in the deadly current, his SUPER-PETS discover the source of the problem ...MISTY and SNEEZERS, the BLACK MANTAS minions! TOPO, STORM, and ARK THE SEAL, must stop these evil rays, or their underwater city could be lost again.
