

Cowboy Games (Siren Publishing Classic)

At Fantasy Ranch, love is a game. **THE PLAYERS:** Gavin Carter Gavin owns Fantasy Ranch, a resort where guests get a week of cowboy love with the hottest cowboys in Wyoming. Rebecca Ryder Rebeccas husband had promised to deliver her fantasy du jour: A cowboy. He died before he could keep that promise. She thinks if she plays the Fantasy Ranch game, just for a second she might have her husband back. And maybe that will be long enough to say goodbye. **THE RULES:** 1) No sex. 2) No contact or attempted contact after the week is up. Clause number two is accompanied by a clear warning: Any attempt at contact will be considered criminal stalking and treated as such. A sure sign the cowboys are very good at making women think they have fallen in love. Rebecca doesnt expect to break the rules. Or to fall deeply in love.
