

Houdini the Kitty - Adventures in France: A magical journey of cat and friends

Houdini the Kitty, Adventures in France is the first book in an upcoming series to take your child where no child may have gone before! Houdini the Kitty lives on a small island off the coast of Maine, where he listens to the exciting stories of a retired sea-captain who has travelled the world. These stories inspire Houdini to visit and experience these places for himself. Since he possesses a magical tail he is able to do this - assisted by his travelling companion Binnie, they visit France where they meet new friends and discover lots of interesting facts about this fascinating country. This fun, fact-filled book will allow your child to join Houdini the Kitty and friends and learn with them about our world and the different cultures contained within it, as they take off on their first adventure and travel around and savor all things French. Houdini the Kitty - Adventures in France is leaving now... All aboard the Binnie express!! Close your eyes and say the magic words - Abra...cat..abra explore this book and riches you'll find - a learning experience that'll blow your mind and lessons that teach you to be kind! This book is recommended for ages 6 to 11 (or younger if reading accompanied by an adult)
