

## To See Him Face to Face

The twenty-two stories and four poems in *To See Him Face to Face* were written with the Bible in one hand and a pen in the other. Picture for yourself what it might be like to be James, the brother of Jesus, or Mary Magdalene, or even the woman from Syrian Phoenicia. Put yourself in their place and see Jesus like you have never seen Him before. Open the Bible and: Follow the scriptures that are noted in the stories. Read the stories of Gods saints like you are reading them for the first time. Meet Jesus in a very personal way. Share Him with a friend. Often times it is difficult to find a short story to use for a devotional. This book would be excellent to use in this way. It would also be a good book to give to a friend who is seeking God or yearning for a closer walk with Him.
