

This message we know is the most powerful message on Earth. It has the power to heal, liberate, and save all those that accept it in Faith. Jesus has left us the awesome duty of living, carrying, and sharing this message. Knowing the power of the blood of Christ and the effects it's had on our lives should compel us to go forth and share it with everyone we can. Even if it means that we have to push through feelings of fear, un-comfortableness, or intimidation. I pray that God will Grace you and I to be bold and effective witnesses for Him and that he will use us mightily in drawing many sons and daughters into the Kingdom. May the peace of God completely cover you and you be strengthened all your days to do His will! Let's Go Get The Lost!
