

## Illmoor Chronicles, The: The Yowler Foul-Up - Book Two (Illmoor Chronicles)

The second adventure in the Illmoor Chronicles trilogy finds Illmoor in peril once again...but this new menace is more deadly than the rat infestation that plagued the city, and more diabolical than even the dark magic could imagine. The Yowler Brotherhood has existed for centuries in the alleyways and shadows of Illmoor. But now, with an evil new magic, they will emerge from the shadows, descend from their rooftop recluse, and destroy anyone that stands in the way of their complete domination of Illmoor.
