

Elephants in the Church: Conversations We Cant Afford to Ignore, Facilitators Guide (Dialog)

There are certain subjects that many people choose to ignore, or at the very least, refuse to talk about. This 7-week study examines topics often avoided, especially by those inside the Church. Elephants in the Church centers the conversation around difficult questions such as: How do we create an open atmosphere for conversation within the church? Is there anything wrong with having material possessions? Does prejudice exist in the church? What is the Christian view of sexual sin? How do we help victims of abuse? Do Christians have acceptable addictions? Does God favor one political party over another? This study is for anyone who is not afraid to tackle the hard questions and go deeper in their walk with Christ. The DIALOG SERIES offers Bible-based, life-related studies for small groups, Sunday School classes, or personal discoveries. Each 7-week study is written by qualified and thought-provoking Christian thinkers to promote community and growth in Christ. A separate Facilitators Guide is available for teachers/group facilitators.
