

Haunted By The Holy Ghost: A Comedy Of Horrors

The Holy Ghost breathed out flames of pure energy as He said, If the devil can turn a good mans hair white from a fright, then I am going to show the world what I can do to a carnal man by giving him a glimpse of paradise! Disguised as the Man of Fire, the Holy Ghost began His latest assault on sin by haunting the oldest campus in the United States of America. The dread and terror was scaring the Hell out of the millions of inhabitants. No one was safe from the long arm of the spectral visitor from another world. There was no place to hide from the invasive ghost. He knew every sinner and He saw every thought. Plus He had the power to raise the dead to life. That would just ruin the destructive lifestyles of the free thinkers and the liberal lovers. He was a gentleman ghost, but He also knew how to push peoples panic buttons. Dreams and nightmares were His domain. Glimpses into the possible future gave Him a reputation for being the Grim Reaper. And He knew that a good healthy dose of respect often came after an unexpected brush with death.
