

In His Likeness

Paul the apostle says we can appear as a mirror image of Jesus so that we come to our world in His likeness, bearing the same fruit and walking in the same power He possessed. With those words Pastor Steve Orsillo embarks on an examination of what it means to be in His likeness. What holds us back, what preconceptions and wrong thinking keep us from a real understanding of how Jesus intended us to live? As with Pastor Orsillo's other books, *Living and Loving Jesus* and *Follow Me*, prepare to be challenged. Through scripture and example the case is laid before us will we hear the teachings of Jesus and respond, so that we may present our lives to the world as living sacrifices, coming to the world in His likeness?
