

The Abrahamic Revolution: Gods Mission in Motion

God set His mission into motion when He invited Abraham to lay down his plans for a greater plan--a global plan. Abraham's life was revolutionized! He became the first in a historic line who stepped out to follow God in reaching the nations. Todd Ahrend helps us understand the missional theme of God's Word, the task remaining in God's world, and our calling to God's work. God's purpose is one continuous and all-encompassing movement to redeem people from every tribe, tongue, and nation. You are invited to join the legacy that began with Abraham and will end in God's global glory. Join the Abrahamic Revolution!
