

## Who Is Jesus Christ?

Scripture taken from the HOLY BIBLE, NEW INTERNATIONAL VERSION. Copyright 1973, 1978, 1984 International Bible Society. Used by permission of Zondervan Bible Publishers. One would think after 2,000 years of church history there would be no question about who Jesus Christ is. Yet even today there are arguments about Christ whether or not He is the Father in another form; or whether there are three coequal Gods, as in the doctrine of the Trinity. I am not writing as a theologian but as a disciple who has pursued the Lord for more than sixty years. Some aspects of this problem, at least, seem to be clear in my mind.
