

Encourage Me (Walker Large Print Books)

Are you discouraged? Do your shoulders ache with the weight of carrying your problems alone? Do you wish you could find someone who understands, someone who won't condemn you for your failures or ridicule you for your mistakes? Let Chuck Swindoll put a friendly arm around your shoulders and show you how the burdens can be lifted from your heart. Encourage Me offers tender insight into the needs of the human heart and how God wants to meet those needs through the gift of encouragement. Swindoll says, Encouragement is awesome. Think about it: It has the capacity to lift a man's or a woman's shoulders. To breathe fresh air into the fading embers of a smoldering dream. To actually change the course of another human being's day . . . or week . . . or life. This classic devotional is a treasury of thoughts on finding the encouragement you need -- and learning to share that encouragement with others.
