OOGO THE CAVEBOY: A Childrens Adventure

Oogo was a small cave boy. He was seven summers old with long tangled dark brown hair and hazel green eyes. He wore a tiger skin and walked barefooted everywhere he went. Oogo lived with his father and mother in a large cave up on the side of a big mountain. Four other people lived in the cave with them. Oogo was the only child. Everyone helped find food and fight the big animals that came to eat them. They never let Oogo help . . . everyone thought that OOGO was too young. There are 3 very very short stories WITH PICTURES for young kids who love to hear about and wonder what it mightve been like to live in the prehistoric world.
