

Life to the Max

Life to the Max is the account of how an ordinary guy, a casualty staff nurse in London, was called to encourage young people in his city to embrace the Adventure of Faith and set up a dynamic outreach for young people through adventure activities. The story relates how, from apparently hopeless beginnings, the ministry has grown to reach over six thousand children and young people every year. It focuses mainly on the early, pioneering story of Jon Cox and describes the remarkable ways in which God guided and provided, as he witnessed a truly amazing series of clear answers to prayer. There is also a real challenge to the readers to seek Gods call on their lives, to take Ephesians 2:10 seriously. Life is no dress rehearsal!
