

## Lionclaw: A Tale of Rowan Hood (Rowan Hood (Paperback))

Lionel believes that he is nothing but an awkward coward, and he much prefers playing his harp to drawing a sword. Banished by his warrior father, Lord Lionclaw, he finds refuge in Sherwood Forest and joins a misfit band of outlaws led by Rowan Hood, daughter of Robin. Lionel is loyal and grateful to his good friend Rowan, yet he is also determined to make peace with his father. But when Lionclaw is taken prisoner by Robin Hood one night, he spots his son among the outlaws and vows revenge on him. Suddenly Sherwood Forest is filled with danger, and Lionel wants nothing more than to turn and run. Then Lionclaw's bounty hunters capture Rowan and use her as bait, and suddenly the lion in Lionel is awakened.
