

## Gethsemane To Galilee: Bible Talks Of The New Testament by Master Teacher

An anthology of transcripts of some of the earliest recorded Bible talks given through the revelatory mind of the Master Teacher of A Course In Miracles. This book comprises nine profoundly transformative discourses, which do ignite intensely emotional responses in participants as they begin to undergo their individual mental reassociation and transfiguration. You may have highly charged enthusiastic responses to this wholly dedicated, totally simple, lovingly communicated message of truth. Indeed, this outpouring of freedom to create that occurs through the release of your former necessity to retain self-inflicted loneliness, pain, aging and death, is the bright contagion of whole mind. These discourses will act as a catalyst for you, the reader, in your own self identity of space/time, to undergo the experience of enlightenment necessary to fulfill your inevitable purpose for living: to remember you are whole and perfect as God created you.
