

## GENESIS ... The Beginning Of Misunderstanding

This book will reshape, refashion and reform what mankind has come to know and RESPECT as truth. It will force the world to seriously reconsider its ideas of God and the beginning. It will surely reduce and lessen the extremely ridiculous and heavy hypocrisy in and out of the church: which is a strong culprit in the destroying of the accuracy of truth in God in contrast to man. Hypocrisy is the filthiest sin in the church in my opinion ... It destroys to the extent, that it is invisible and unrecognizable to the user. The power of truth and revelation in this book will definitely empower, encourage, also reprove and repair previously taught ideas about what God did ... and what we have done. God did not create for us, sex: guess what? nor did He ever ordain marriage. Is Mary the mother of Jesus? He never thought so ... and theres so much more!
