

The Fire Truck captures the innocence and determination of a little boy who cannot let go of a loved toy. When Christopher retrieves his fire truck from the garbage, he embarks on an adventure to fix it. Though this activity is fun and creative, Christopher needs the talents of his friends to achieve his goal. He learns to accept his shortcomings and appreciate the talents of others. The Fire Truck is a playful book that will nourish the minds of children and provide them with lasting values. The author hopes to teach children more about their faith through studying daily events.
