

Loyal (On My Honor Series Book 2)

Several months ago Noah's best friend Titus lost his leg in an accident. It was about that time that Noah started communicating with his own dead twin. Confused and frustrated, Noah starts back to school without Titus, but things don't feel the same. Other students, some that Noah doesn't even know, come out of the woodwork to taunt Noah, calling Titus a cripple. Noah finds himself defending his friend in ways he never expected. Continue with Noah and Titus on their friendship journey. Will their friendship crumble under the strain or will Noah stay loyal to his lifelong friend?
